RESIDENTS "WORRIED"

OVER £5M TESCO AND 48 HOMES PROJECT

Basingstoke X Factor fame

BOY band Concept did Basingstoke proud, winning over all four judges at their X Factor audition on Sunday.

Louis Walsh, Cheryl Cole, Simon Cowell and Mel B did not seem slightest bit hesitant to usher the group through to the next stage of the talent show for their cover of Labyrinth's Earthquake.

For the full story see page 3.

TESCO has not done enough to calm concerns that a new store will not threaten Basingstoke businesses, councillors have warned.

By Mathew Di Salvo
mathew@taylornewspapers.co.uk

The call comes ahead of a two-day public exhibition starting tomorrow on the £5million development for a supermarket and 48 new homes in Winchester Road, Brighton Hill.

Basingstoke and Deane borough councillor Seán Keating, for South Ham, said although Tesco revised its plans to a smaller store, half of residents in South Ham, as well as those in Brighton Hill, are worried about the effect on businesses.

He said: "Shops are at risk here, and there will be an impact on local shops in Brighton Hill too.

"There are already three big supermarkets at this side of town and Basingstoke is not that big a town - this is not London or Birmingham we are talking about. It is a modest town."

He said he had been appealing for Tesco to run an exhibition in South Ham for residents as well as in Brighton Hill.

A larger scheme put forward by Tesco was rejected by councillors in 2012 because of concerns that it would clash with smaller businesses.

The revised project unveiled tomorrow has abandoned plans for the Tesco to include a pharmacy, post office, optician and travel agents.

But owner of T'THL Traditional Butchers in Kings Road, Ian Berry, 49, said: "The infrastructure is still the same as it was in 2012 so the Tesco shouldn't be allowed.

"There is already enough competition in the area – another supermarket is not needed."

Cllr Keating added: "The butchers and Co-op in Kings Road are both concerned - Tesco doesn't act like a friendly neighbour."

Basingstoke and Deane councillor for Brighton Hill North, Mark Taylor, said: "We will fight it all the way."

He added: "Corner shops are the light of the community and they will be affected.

"And have we got the infrastructure for it? I don't think we do."

Tesco's regional corporate affairs manager, Jack Pearson, said: "We believe that a smaller store will still provide a great new shopping experience and will also allow us to regenerate the rest of the site by building 48 attractive new homes for the local community."

Basingstoke borough councillor for South Ham, Colin Regan, added: "I am worried about the impact it will have on local businesses and others are too.

"It is a good bribe on their part to include 48 new houses in the plans this time round."

The exhibition runs tomorrow, September 5, from 1pm to 7pm and on Saturday, September 6, from Midday until 3.30pm at Viables Community Centre in The Harrow Way.

Tributes to wine-loving Thatcher MP

By **Mathew Di Salvo**

BASINGSTOKE'S council leader paid tribute to former North Hampshire MP Sir David Mitchell's "infectious humour" and "good taste in wine and women" following his death on Saturday.

Sir David, who served under Prime Minister Margaret Thatcher as MP for North West Hampshire, died at his Odiham home after a long illness - his family revealed.

The 86-year-old was MP from 1964 to 1997 for the Conservatives.

Basingstoke and Deane Borough Council leader Clive Sanders said: "I first met him when, after I arrived late at a wine tasting, I found him glass in hand at the end of the hotel terrace, busily chatting up my future wife.

"His obvious good taste both in wine and women was allied to an infectious good humour which always made him great company to be with.

"Nevertheless there was a steel core that showed through occasionally that had made him able to deal firmly with some very difficult decisions in his ministerial life and served him well in his long and distinguished career as a parliamentarian.

"He was unfailingly attentive and courteous to everyone he met and will be very warmly remembered by all."

· Sir David Mitchell with Margaret Thatcher

His political career carried him from back bench MP for Basingstoke to become one of Margaret Thatcher's ministers.

He served in departments including transport, industry and Northern Ireland office.

He is also the father of current Conservative MP Andrew Mitchell – well known for his role in the "plebgate" saga of 2012 which erupted between the politician and police over a conversation at Downing Street's gates.

Basingstoke MP Maria Miller said of her former colleague: "Sir David was a great public servant so ably representing the people of Basingstoke in Westminster for more than 30 years.

"He was elected in 1964, the year I was born – a fact that we often joked about.

"I will always remember with great fondness the campaigning that we did together and how hugely supportive he was."

Sir David's autobiography From House To House: The Endless Adventure of Politics and Wine was published in 2008.

Hampshire county councillor Stephen Reid, the conservative member for Basingstoke North West, added: "He was always a good supporter of everyone in the party and he was a superb member of parliament."

"He was someone who always made you feel special.

"It always come as a shock when you lose someone, especially someone so giving."

Basingstoke boys' X Factor success

FIVE Basingstoke lads who make up boy band Concept scooped the attention of a star-studded fan-base as they sang their way through X Factor auditions on Sunday.

Concept's talent show audition impressed judges Louis Walsh, Cheryl Cole, Simon Cowell and Mel B so much they granted them four yeses.

The band performed a cover of Labyrinth's song Earthquake.

Band member Matt Goodenough said: "It is an indescribable feeling when you get through that audition room.

"I was lost for words for the rest of the day. Truly unbelievable."

Concept – Matt, Karim Newton, Nathan Gittens, Scott Dicks and Ben Selley - are all friends who went to Basingstoke's Queen Mary's College.

Scott said: "It was the most amazing feeling in the world, to have the support of all four judges was fantastic."

Plenty of other supporters showed their love online - locals and celebrities alike.

Suzanne Shaw, herself an ITV talent show winner on Popstars who rose to fame afterwards with band Hear'Say, tweeted: "Well done guys. Great job. I will be supporting you x".

The boy band were also bombarded with praise by Basingstoke residents including @GeorgiaVHarold who tweeted: "You did Basingstoke proud."

Karim said: "It's great to be representing Basingstoke.

"To put Basingstoke on the map and be able to say we are proud of where we have come from is really important to us,.

"We would love to have the backing of our hometown and hopefully we can do everybody proud."

Concept first formed as a four-piece group in 2010 but became a five-piece outfit when Ben joined the boy band in 2011.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

All five attended Queen Mary's College in Basingstoke from the ages 16 to 18 but Scott, Matt and Ben have been friends since they were four and met band member Karim through their love of football.

Nathan said: "We have come on leaps and bounds.

"When we first started the group, we really were quite terrible and we had no real musical background.

"It was an amazing feeling to get the four yeses from the judges, it really is a nerve racking experience, one that I can't describe but I'm really pleased and proud of the boys."

"We were just five boys hanging out and thought singing was a good way to pass our time.

"I think our story shows that if you have a strong bond, believe in yourself and work hard enough, you really can achieve your dreams."

The X Factor is showing on Saturday and Sunday both from 8pm on ITV.

Pub beer garden and cinema plans approved

A BASINGSTOKE pub has been granted permission to open a beer garden and run an indoor cinema.

The plans for The Soldiers Return pub in Upper Sherborne Road were voted through by Basingstoke and Deane Borough Council's licensing sub-committee on Friday.

It means the pub can use its back beer garden until 9pm and show films between 11am and 11pm everyday.

Councillor Eric Dunlop, who sits on the licensing sub-committee, said: "This is a step in the right direction for the pub - we were pleased with the decision.

"The owner is responsible and is looking after the interests of not just his business but his neighbours too."

The pub reopened last May after being revamped under new ownership.

One complaint was made by neighbours about the potential noise level from the plans.

It said: "We find these proposals completely unacceptable, due to noise nuisance.

"We have lived for around 30 years in Stratfield Road and during that time, the Soldiers Return pub has always been a quiet pub.

"Someone might suggest that we 'have to put up with' a certain level of noise because we bought a house at the rear of the pub.

"Well, we haven't for the last 30 years so we don't expect this to change now.

"Having an area around the back too will simply spread the disruption to local residents' lives."

However Cllr Dunlop said residents who attended the meeting on Friday seemed satisfied with the plans.

He added: "Generally speaking, most people seem to be happy with the decision.

"Nuisance and noise levels would not be as bad because of the new tenant."

He said the pub's owner had also told him if there is too much noise coming from the beer garden and residents express their concerns he will have no problem quashing the noise.

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Alton girl wins show jumping competition

THE daughter of Olympic gold medallist Peter Charles show-jumped to a national championship title last week.

Sienna Charles, 12, from Alton, jumped a faultless round in 33.19 seconds on Murkas Flinor Songbird on Friday at The Alexanders Horseboxes British Showjumping Scope Festival in Staffordshire - one of the biggest events on the equestrian calendar.

The quick clear round bagged Sienna (pictured below) the Commercial Vehicle Linings National 128cm championship title.

She said of her dad's 22-year-old chestnut mare: "She can be quirky, but she's nice in the stable."

Peter Charles won team gold in the 2012 London Olympics jumping a clear round as the last rider in a jump-off against The Netherlands.

His three children, Harry, Scarlett and Sienna, have won several national championship titles between them.

• Artist's impression of the Manydown development

AT least 1,360 of the 3,400 homes planned for Manydown are to be built as affordable housing, councillors pledged on Monday.

The promise was made for 40 per cent of the project to have affordable homes at a meeting of the newly-formed Manydown Overview committee meeting.

Councillor Seán Keating questioned why the council's 40 per cent affordable housing target had not been written into the plans for Manydown at Basingstoke and Deane Borough Council's London Road offices.

He said: "It needs to be written into the deal."

"We have a commitment to deliver 40 per cent affordable housing in the project and it is not clear in the deal."

Councillor John Izett, the portfolio holder, said the council had no intention of going back on its policy of 40 per cent affordable housing, which would include the Manydown development.

"We all want to deliver this and we don't want to do anything that would trip us up," he said.

"Why would we when it is council policy to deliver 40 per cent affordable housing?"

It was the second meeting of the newly-formed Manydown Overview Committee to discuss the 2,000-acre development.

The Manydown project is part of the borough council's Local Plan, which will guide where houses are built in the borough up until 2029.

A final decision on the Local Plan is not expected until spring 2015.

The aim of the Manydown development is to create a 'walkable neighbourhood', where most of the new homes are located closely to convenience shops, local services and travel points.

Hampshire County Council and Basingstoke and Deane Borough council appointed commercial property agents, GVA Grimley Ltd, to develop a series of options for the development – of how it could be built and financed.

The company, which has headquarters in London, was behind a £750million regeneration of Longbridge Town Centre near Birmingham including 1,980 homes.

The committee is due to meet again on November 27 at Basingstoke and Deane Borough Council's London Road offices.

It is expected to go through reports by GVA Grimley on planning, delivery and financial strategies for the project.

It asks people to donate £5 a month.

Half the money raised goes into the prize pot and half goes towards the cancer centre.

578 homes approved in Basingstoke

A £100MILLION development of over 500 homes to be built in South View was granted planning permission last week.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

The plans by developers Sentinel for 578 houses north-west of the town centre were unanimously approved by councillors at Basingstoke and Deane Borough Council's development control committee on Wednesday.

It will see 247 houses and 275 apartments built at the site off Chapel Hill and Kingsclere Road, while the existing iconic art deco 'white building' will be converted into 56 apartments.

The land, which is the size of 16 football pitches, has been empty of its former factories, office blocks and warehouses since 2001.

Development director of Sentinel, Mike Shepherd, said: "We're a Basingstoke-based company with roots in the local community.

"The site was really in need of redevelopment, and we were confident that using our community-based approach to regeneration we'd be able to transform this derelict and rundown area of Basingstoke for the benefit of everyone."

But councillors raised concerns over highway issues around Chapel Hill and the issue of children getting to school during the meeting.

It was also mentioned that people travelling under the railway bridge near the site should be able to do so safely, as it is currently a one-way road.

Councillor George Hood also spoke out about "safeguarding children" and said he could not support the application unless a letter was written to the county council asking for a review in catchment areas.

He said: "We are talking about little toddlers with their mums and dads, travelling too far to get to school."

Councillor Jane Frankum added she was "deeply concerned" about the issue of children travelling too far to get to school and strongly supported the council letter.

It was agreed at the meeting that a letter would be written to the county council asking for the catchment areas for children who would live on the site to be changed so they could attend the nearest school instead of having to travel to Winkleberry to get to school.

Ward councillor Laura James said: "We want to give a big thank you to Sentinel.

"They have worked very hard with the community to get the best development on site but work still needs to be done."

Sentinel is hoping infrastructure and supporting work will start early next year.

Councillor's Column

Cllr Gavin James
Leader of the Liberal Democrat group on Basingstoke and Deane Borough Council

Saving green parkland from a football stadium

LIKE many reading this, my parents moved from the density of London to the estates of Basingstoke, in part attracted by the generous public open spaces.

As the town has expanded in population and amenity, generations of councillors have preserved those spaces.

It's what makes Basingstoke such a great place to live - we have the great shopping, leisure and opportunity normally reserved for the cities, but also the green open spaces associated with small towns.

But now the cabinet want to break with that tradition.

They are currently consulting on whether the land that formed part of Basingstoke Common for over 700 years, the last bit of wilderness in the heart of the town, should be handed over to developers to build a football stadium.

The council could use land already earmarked for development, such as the leisure park, but it means not realising the maximum financial value.

It seems only financial value matters to the council's cabinet now.

The social and environmental values which you'd expect to underpin decisions made by a body that exists only to serve the public have gone.

The council is not a business.

Should it be sacrificing the parkland that makes the town a great place to live for financial gain?

It's not the question the council are asking in the consultation, but there is enough space for you to answer it.

Development of 49 houses is allowed

PLANS for 49 homes in Woolton Hill near Newbury were unanimously approved last week.

Councillors granted planning permission for the build at a Basingstoke and Deane Borough Council development control committee meeting on Wednesday.

The development, in Harwood Paddock, would see two two-bedroom homes, three three-bedroom homes, 21 four-bedroom homes and 16 five-bedroom houses built on the site.

The application was submitted by agents Rurley for developers Bloor Homes.

Council leader Clive Sanders called it a "good development" but added concerns had been raised about how the current sewage system would cope - he said there had been times when sewage flooded into a nearby nature reserve, killing thousands of fish.

The Environment Agency and Thames Water did not object to the plans, but Thames Water said it could lead to sewage flooding.

A planning condition was added meaning a drainage strategy has to be submitted before the development could go ahead.

Turley office director Stuart Irvine said: "Bloor have a strong track record and consider that through this proposal, the right design will be created.

"It is a significant sight for Bloors as well as the area."

Residents have say on stadium move

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

A PUBLIC consultation on Basingstoke Town Football Club's relocation has been launched.

Residents can submit their views on the eight acre piece of council-owned land in Eastrop's Old Common Road planned for Basingstoke's new £7.5million stadium until October 10.

The plans came under fire from councillors at a meeting last month because of the potential loss of open space at the site next to War Memorial Park and the Costello School playing fields.

It is to be funded by the redevelopment of the old stadium as a retail park.

Cabinet member and portfolio holder for the project, John Izett, said: "Some residents and local councillors have expressed legitimate concerns about the loss of green open space at Old Common Road, and also about possible shopping at Camrose.

"This is an important decision that affects Basingstoke's future and that's why the public consultation programme is extensive.

"As portfolio holder, I want to hear the views of residents.

"So we now need to hear from as many residents as possible and I hope you will take the opportunity to register your views."

• The current Soccer AM Stadium in Western Way (Picture by Les Chase)

The club wants to upgrade its current Soccer AM Stadium in Western Way to a new 5,124 capacity stadium, enabling them to move into a higher league if they get promoted from the Vanarama Conference South.

The stadium would also be used for community sport events.

A multi-use games area would also be available for public use in the northwest corner of the Old Common Road site.

Cllr Izett told the Observer false rumours were spreading that it could mean the end of Basingstoke's biggest annual festival, Basingstoke Live, because festival-goers currently park on the site.

He said: "This is misleading, mischievous and plain wrong.

"Additional land can be used and will be provided if the new stadium goes ahead."

A full planning application has not yet been submitted.

A drop-in session about the plans is to be held at YMCA Basingstoke, in Eastrop Way, on September 22 from 3pm to 8pm for residents to ask questions or raise concerns.

Go to basingstoke.gov.uk/go/footballclubmove for the online consultation.

A nurse's tale of WWI

A BRAND new production following the First World War story of Edith Cavell and its links to modern warfare comes to Central Studio from next Thursday.

By **Adam Flinn**
adam@taylornewspapers.co.uk

Twelve Ten Fifteen focuses on the story of Edith, a nurse who worked in occupied Belgium and smuggled out allied soldiers.

The one-woman show is told from the perspective of a modern day war correspondent, who thinks about the female experience of conflict.

"It's not a straight telling of Edith Cavell's story, it links to women's roles in modern warfare," said Clive Holland, who wrote the play for Basingstoke-based theatre group Proteus.

"It's very much about how her story was manipulated and how stories are manipulated now.

"Hopefully it will make people think and start to question the givens, make them question certain things they think they know about Edith Cavell, and about war."

The play looks at whether Edith's death could have been avoided, if she was used as a propaganda tool by the British government, and if modern day aid workers are martyred in a similar way.

Edith's story is believed to have been a catalyst for the United States joining the war, and also influenced other countries including Canada, Australia and New Zealand.

The show is performed by actor Mary Rose, who takes on the role of a modern day journalist looking back at Edith's life.

"Rehearsals are going really well," Clive added.

"It's going to be a really nice piece, and Mary is just fantastic.

"It's going to be a piece that hopefully makes people think, makes people cry, and makes people laugh."

Twelve Ten Fifteen is at Central Studio on September 11 and 12, and begins at 7.30pm. It then returns to north Hampshire on September 26 with a showing at Tadley Community Centre.

To book tickets for Central Studio, go to centralstudio.co.uk. For the showing in Tadley, call 01189 814538.

Cate Le Bon performs

WELSH singer-songwriter Cate Le Bon comes to Oxford as part of a national tour next Tuesday, following the release of her latest album 'Mug Museum'.

By **Adam Flinn**
adam@taylornewspapers.co.uk

Work on the album started towards the end of 2012, when Cate returned to Wales from her home in California.

She began writing songs while she was there, which came after a period of bereavement after the death of a relative.

"Following the death of my maternal grandmother I felt a very palpable shift in the roles that we'd all become accustomed to within the female line of the family," said Cate.

"For the first time, it had me mulling over the importance of my placement and purpose within this female chain.

"The album's theme emerged from and circulates around these maternal familial relationships and this period of calm, lengthy, intent consideration in turn drew other relationships into the 'Mug Museum'."

Cate then returned to California to record the album at Seahorse Sound Studios in Los Angeles, where she assembled a band of friends to feature on the tracks.

Those involved included multi-instrumentalists Sweet Baboo, Nick Murray and H. Hawkline, the latter of which will also be appearing with Cate in Oxford next week.

"I wrote the majority of the record in the home country but a few songs were finished in Los Angeles in the run up to recording," Cate added.

"I'm sure Los Angeles has bled into the recordings somehow but exactly how I do not know.

"There was a calm brutality to making decisions – it all happened very quickly and directly, as it should."

Doors open at 7pm for Tuesday's performance. For more details, go to o2academyoxford.co.uk or call the box office on 0844 477 2000.

Comic opera

THE Mikado, Opera Anywhere's interpretation of one of Gilbert and Sullivan's most popular works, is at the Wallingford Corn Exchange on Saturday.

It was originally created for the Queen's golden jubilee celebrations in 2012, but has toured constantly since due to popular demand.

The show begins at 7.45pm. Go to cornexchange.org.uk to book.

O2 showing

UP and coming singer-songwriter Luke Sital-Singh makes an appearance at Oxford's O2 Academy next Thursday.

Compared to Jeff Buckley and Bon Iver, Luke has been tipped for greatness, and released his debut album 'The Fire Inside' earlier this year.

Vauxhall launch latest ADAM

REVIEW: Vauxhall ADAM
By **James Richings**

VAUXHALL are regarded as one of the most successful British car manufacturers in history.

Cars such as the Insignia, Tigra, Corsa and Meriva are just some of the most popular models produced by Vauxhall that we see on our roads every day.

So, it's no surprise that the Vauxhall ADAM (Vauxhall's urban-chic city car), has racked up 100,000 European orders after just 18 months on sale.

With over a million different specification and trim combinations, ADAM introduced unprecedented levels of personalisation into the style-conscious A-segment.

The latest edition to the ADAM family is the ADAM ROCKS AIR. This model is set to become the first urban mini three-door crossover when it goes on sale next month.

Debuting at this year's Geneva Motor Show, ROCKS AIR has its own body style offering the same contemporary design as the original ADAM but with the toughness of a crossover and the coolness of a full-length folding canvas roof.

Now available across the ADAM range is Vauxhall's all-new 1.0-litre ECOTEC Direct Injection Turbo three-cylinder engine. This high-tech unit raises the bar for three-cylinder engine refinement and packs 115PS, with impressive low-end torque of 170Nm.

"Thanks to its striking design and over a million different spec combinations, ADAM has been a big hit with our customers," said Tim Tozer, Vauxhall's chairman and managing director.

"And if that wasn't enough, Vauxhall is adding the robust ROCKS AIR to the ADAM range featuring an all-new 1.0-litre three-cylinder engine."

The ADAM has been such a popular hit that AutoExpress.co.uk gave the car a score of four stars out of five.

After its recent success, the website stated: "This success isn't merely down to being affordable, compact and cheap to run, the three-door city car also scores well on in-car tech, personalization options, and that all-important desirability factor."

The ADAM was first produced in 2012, but wasn't made available for the public until 2013, with key markets being based in Europe.

• *The Vauxhall ADAM has proven popular in its 18 months on sale*

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's and entire engine overhaul or just tweaking the brakes. we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a rang of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it! He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.
I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!
These guys definitely know what they're talking about and I would recommend them to anyone!
Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Basingstoke miss promotion but Wintney are heading up

BASINGSTOKE and North Hants Cricket Club drew their last match of the season with New Milton bringing their 2014 season to a close on Saturday.

By **Adam Flinn**
adam@taylornewspapers.co.uk

Having been bowled out for 118, Basingstoke's slim promotion hopes rested on New Milton failing to reach their total and for other results to go their way.

But New Milton were able to finish on 118-9 from their 50 overs, in what was the only tie in division one of the Southern Cricket League all year.

Sarisbury Athletic winning their final game versus Bournemouth meant Basingstoke were unable to secure promotion in back to back seasons.

But there was better luck for Hook and Newnham Basics who won their final fixture against Andover by four wickets.

Andover's total of 121 was overcome by Hook with 14 overs to spare.

Hook had been under threat of relegation had they lost their weekend match and Fawley won against Hursley Park, but the win ensured they would stay in division one for another season.

The results meant Basingstoke finished third in the table with an average of 15.80 points, while Hook came seventh with 11.50.

And Hartley Wintney will make a swift return to division one after a win against Totton and Eling II on Saturday lifted them into the promotion spots.

Their 244 total secured them a 46-run victory as they bowled Totton out for 198.

And with promotion rivals Sparsholt losing to Langley Manor, Wintney leapfrogged them to move up to second in the table.

They finished with an average points score of 14.86 to end 0.39 ahead of third-placed Calmore Sports, while Sparsholt's loss meant they slipped to fifth.

Basingstoke, Hook and Wintney will all face each other in division one next season, expected to get underway in May 2015.

North Hampshire drivers hit the tarmac at Rockingham

ROB Collard will be hoping to continue his winning form at Rockingham, as the British Touring Car Championship returns to action this weekend.

The North Hampshire driver took his first victory in two years at the last race in Knockhill, moving up to fourth in the drivers' standings as a result.

Collard, from Hook, had a tough weekend at Rockingham last year, finishing seventh in the first race before retiring from races two and three.

He has 220 points from the first seven events of the season, having collected five podiums alongside his recent win.

Meanwhile, Nick Foster will also be looking to build upon his best weekend of the season so far, after coming fourth in the final race of the day.

Odiham-based Foster started from pole position for the last race before dropping back, but the result was still his best since race one at Croft last year.

He has had two of his best results at Rockingham - coming fifth twice - although last year he didn't make it into the top-10 for any of the three races.

He sits 16th in the championship with 76 points.

Bison back on ice for pre-season test

BASINGSTOKE Bison return to action for the first time since being crowned English Ice Hockey Premier League champions back in April this weekend.

Doug Sheppard's men host Guildford Flames on Saturday for the first fixture of their pre-season challenge, before travelling to Surrey for the second match the following day.

Both sides took a 2-1 home win in the challenge last season, but it was Bison who triumphed over the season, beating Flames seven times and losing twice.

This included an 11-9 win over Flames in the two-leg cup semi-final - before Bison went on to win the cup.

The league then gets underway the following Saturday as Bison host Peterborough Phantoms, before their first cup game on Sunday away to Chelmsford Chieftains.

Bison have been busy during the summer, adding Declan Balmer, Brendan Baird, Dan Weller-Evans, Jordan Lawday and Grant Rounding to the squad.

They join the likes of Tomas Karpov, Miroslav Vantroba, Andy Melachrino and many others who all re-signed for Bison ahead of the new season.

Wintney draw

HARTLEY Wintney face a replay to get through to the FA Cup first qualifying round, drawing 1-1 at Ardley United on Tuesday night.

It comes after Wintney won their rearranged preliminary FA Cup fixture against Frimley Green 2-1 on Saturday as their first match was abandoned.

Wintney will be hoping to emulate their FA Cup form from last season, which saw them progress to the fourth qualifying round for the first time in the club's history.

A date for the replay is due to be announced.

Elsewhere, Tadley Calleva drew 1-1 in their Wessex League First Division encounter with New Milton Town on Saturday.

And Whitchurch United were due to face Alton Town in the Hampshire Cup last night as the Observer went to press.

All three teams will also be in FA Vase action on Saturday, as Wintney host Holyport, Whitchurch are away to Almondsbury UWE, and Calleva travel to Alton Town.

Season-starter

BASINGSTOKE RFC will be hoping to put a heavy pre-season loss behind them when their London One South season gets underway on Saturday.

'Stoke were thrashed 61-0 by Old Elthamians, although their opponents are now two leagues above them.

They get their league campaign going this weekend as they host Dover, before travelling to Guildford for the following week's match.

Joy for Ladies FC

BASINGSTOKE Town Ladies got off to a winning start to the season on Sunday, as they beat Aldershot Town Ladies 5-3 at home.

Town were one of three teams to begin their Southern Region Women's Football League season on Sunday, and sit second in the table.

They return to action on Sunday as they travel to Woodley United for match two.

Boss warns of over-confidence after four start-of-season wins

TOWN CLIMB TO THIRD IN LEAGUE

JASON Bristow is urging his players not to get carried away after Basingstoke Town climbed to third in the Vanarama Conference South with a 1-0 win over Ebbsfleet United last Saturday.

Shaun McAuley's 23rd minute wonder-goal separated the two sides as Town recorded their fourth win of the season.

The Dragons are only two points behind league leaders Eastbourne Borough.

But Bristow wants to keep his side grounded after Saturday's triumph over title-favourites Ebbsfleet.

He said: "Ebbsfleet are going to be up there at the end of the season.

"We just want to keep our feet on the ground, keep performing and if the squad continue to perform at this level we have got every chance of finishing high in the league ourselves."

After a 2-1 defeat at Farnborough last Monday, Bristow was quick to praise his players, naming an unchanged side for Ebbsfleet's visit.

"The players, you could see in their eyes after last Monday, were really disappointed and frustrated with themselves," said Bristow.

By **Jack Johnson**
jack@taylornewspapers.co.uk

"We could have made changes, but those players deserved to go out and put it right and that's exactly what they did.

"It says we have got a lot of character in the side."

McAuley's stunning 30-yard free-kick was his second goal of the season – the first coming in the 3-0 win over Bromley on August 16.

After describing McAuley's goal as "one worthy of winning any game of football", Bristow complimented the attacking midfielder's contribution so far this season.

"He is full of energy, as we have got throughout the whole side now, and I think he is really relishing being one of the senior players," said Bristow.

"He will get all the plaudits for his goal and rightly so, but his performance was good - as was 12 or 13 other players as well.

"It's not just about his goal, but about his overall contribution."

Basingstoke travel to 13th-placed Bishops Stortford on Saturday in search of their third win on the road this season.
